L&S productions started on its way on 2006 when I have asked my female friend Hadar to try and shoot a short tickling clip.

Some convincing had to be done but finally she agreed.

From that day on we have filmed all our female friends (some guys to (.

After filming all of our close friends we started to contact our friends - friends and so on.

We are proud that ALL of our models are regular everyday people. You will not see them on any other company.

Well I can't guarantee that, maybe they will like it and start going pro :) but we were the first ones to tickle them.

Enough said.

Enjoy our free previews and buy our full feature clips so we can continue filming and tickling our female friends.

Best regards,

Shay,

L&S productions founder.
