Tickling Mayan M !

Mayan M,

Mayan M is again one of my closest friends.

i know her since high school.

mayan knew about my tickling clips from the very beginning but she refused to join.

not because she had something against the idea, she said that she so ticklish that she couldn't take it.

buy saying this, she only made me more motivate to make her do this.

it took me a while, but one evening when we ware on a pub with hadar i brought up the idea again.

this time i managed to squeeze a promise out of her to join the party.

mayan M has lived up the expectations she is MEGA EXTREMELY TICKLISH.

she was tickled all over her body and she went CRAZY !

her safe word was PUPSICLE, but as you can see, it didn't helped her much.
