Hadar Tickles Barry !

i Don't have to tell you about hadar anymore.

berry is again a good friend of mine. he is the first male the we decided to shoot.

bery is really nice and he is very very ticklish.

in fact he even more ticklish then some of our girls.

the only one that more ticklish then him is rotem.

berry is tickled all over his body hadar show him no Mercy.

even when he is begging from her to stop and start to threat me the tickling continues.

when we finally released him i Had to run.... he got me in the end, but I'm OK thanks for asking
