Tickling VERA part 3 - clips is 08:44min long ! -

The torture continues as we put her in our standing position!

I started out tickling her, torturing her extremely ticklish belly button!

She could not stand it, she screamed and begged, poor girl...

And then we called the gang to join in on the tickling,

Four girls, eight hands, 40 fingers, tickling her all over her ticklish body,

A payback for how she tortured them before

but they also really liked her sweet suffering.
