Tickling fall part 2 - clip is 6:47min long -

So,

What do we have here ?

Little fall is tied on her back.

Her belly and pits are totally exposed.

In the room with her, she can see her best friends.

If this was an action movie you could expect that the end of this scenario

Would be that her friend gets her loose from this horrible state she is in and drive away to safety!

Tickling fall part 4 - clip is 10:24min -

This is the last session of fall's tickle experience.

Fall is now tied to perswoodski on standing mode.

She seems really confused, she isn't really connected to her body.

She doesn't know where she is most ticklish or if she is ticklish at all !

All of her friends are there, just waiting to get the opportunity to put their hands on her ticklish body.

In this 10minutes clip she gets tickled all over her body.

Her friends take turns and tickle her nonstop. (They also pinch her sometimes ;))

Fall gets tickled on her belly,pits,sides,back,head and neck.

Enjoy !
