She was thinking that she is just coming to tickle other girls.

But we got her too !

Meet Netaly.

another one of our really really sweet students.

she is 19, she is really really cute and most important SHE IS TICKLISH !

Tickling Netaly part 1 *Im Not Ready For this* - clip is 06:30 min long -

If netaly looks familiar to you, your not imagining.

Nataly was helping us tickling Anya and now its her turn to get tickled by lovely adeline.

This is the first clip in this series.

netaly is now tied down for the very first time ! she says she is very ticklish, but she was never tied and tickled before.... so how can she know ?

so, i asked adeline to check this little issue for us.

Adeline immediately started tickling this poor girl all over her body.

guess what, i think she was right ! she is ticklish !!!! YAY !

Tickling Netaly part 2 *Expose her belly Adeline !* - clip is 05:23 min long -

Things start to worm up !

Nataly understands that she wont be released until we all feel like we had enough...

i can see that every time that Adeline accidentally touches her bare belly she jumps and laugh uncontrollably

so i asked Adeline to lift her shirt and totally expose her helpless belly.

as always, Adeline is on my side.... so what ever i want happens !

Enjoy

Finally, this 19 years old cutie is going to get what she deserve !
she is now tied up, and its my turn to show her what tickle torture is all about.
she's terrified only from the thought that i'm going to tickle her (she saw me tickling the girl before her)

i started slowly, immediately i saw sparks in her eyes her face was shiny and red, and the look on her face.... priceless !

i really like it when they starts sweating just by thinking about what is about to happen
needless to say, i show no mercy !

all over tickling.

We have started when netaly sucks are still on.
i think that when you tickle a girl's feet while her sucks still on,
it's increase her sensitivity when they are taken off
this theory was proven on this one, as when Adeline removed netaly's sucks,
she almost broke the bed :/
100% feet tickling
