Reut tickles mali !

mali was most certainly the most ticklish girl i ever saw!

So ticklish that after this part she had to take like 15 minutes before She could bring her self to being tied up again..

And she was really ticklish everywhere!

I started out slowly tickling her armpits belly, legs and knees, and she really couldn't take it, you can see it in her begging eyes..

well..she couldn't really talk alot..

mali's LAST PART

so at this point she did her best trying to break free.

she was very limber and thin so she succeeded somehow to get partly loose.

(I should have tied her harder) but well it didn't help her....

I tickled her feet with the tooth brush and hands while shay tickled her armpits!

she didn't stand a chance!

even after we stopped and released her she just couldn't stop laughing,

so I had to keep tickling her!, we gave her few a chances to stop laughing and get up, but she didn't (couldn't) so well, I didn't either :)

enjoy! reut
